The Meeting was called to order at 6pm

The minutes from the previous meeting were approved and submitted.

The Council discussed the spring cleanup. A suggestion was made to get the dumpster again for a longer period. Getting the information out better was discussed, possibly doing flyers ahead of time and putting on website. A suggestion was also made to put the dumpster behind Town hall next time so we can manage it better as some people put items that were not allowed outside the dumpster.

The Council discussed the importance of the newsletter and all agreed it should be sent quarterly separate from the water bill so people see it and read it.
