

## Goldsboro Planning and Zoning Meeting Minutes

Jan. 11, 2022

Attendees: Eugene Carver, Jamie Yeager, Andy Clough, Jeannette DeLude

The meeting was called to order at 430pm.

The minutes from the previous meeting were approved as submitted.

The board discussed the permit application for the GVFC.

The building will be a storage building housing the old fire truck and the tables and chairs from the fire hall community room. There will be no hazardous materials. Ms. DeLude spoke to MDIA regarding fire sprinkler requirements and was told they will not be required due to the use and size of the building.

A motion was made to approve the permit with a waiver of the permit fee, but the Fire company will have to pay all the MDIA inspection fees. The permit will have a condition that the plans must be approved by MDIA.

The meeting was adjourned at 5pm
