Train Station – BJ Tarr stated had painted and cleaned up train station, all labor took 3 days, thank you to Mike Davidson. Will be doing roof repairs on Friday. Comm. Porter asked about the status of the train station at the Greensboro Historical Society. GHS is a 501c3 and they would like to collaborate with us on the project. Ms. Betty Ballas has extensive experience with grants and town projects. GHS would like the town to join with them and they could benefit from the 501c3.
