The Public Works Report was approved as submitted

Old Business:

Wreaths Across America – Reminder of Dec 15th event at 300pm.

Pumps Update – No update waiting on report from Greensboro Town Manager. Mayor feels like we should only replace ones that need it and maybe have a few on hand to replace some when they break. The Council would like a quarterly report on the maintenance/repairs done within the town.

Attorney – Lyndsey Ryan advised that if we had a disagreement with Greensboro we would have to find another attorney to represent the town. All agreed that we should proceed with an RFP now so we aren't caught in a situation where we are struggling to find someone when we need them. Ms. DeLude will proceed with an RFP.

New Business:

Train Station – Ms DeLude briefed council on the visit from Rauch Engineering to look at the train station.

Jamie Lynn Delp and Chuckie Delp will be doing a car show to benefit the train station rehab. To be held on May 6th. More details to follow.
