Old Business:

Comm. Carver asked if we got a quote for mulch? The Mayor stated he had put out a couple request but no response yet. Comm. Bush said one of the other towns got mats for their playground, so they didn't have to keep replenishing. The council agreed this was a good idea. The Town will need to look for grants for the matting in meantime we can research more. They also agreed for now we should get the mulch replenished.

Comm. Caver reported she had talked to the Fire Dept. They will help with Fall Fest. The date has been set date as Sept. 27th 2025. The Town needs to reach out to Trinity church to give them the date and get them involved. Comm. Carver stated it will still be a town event but the Fire Dept and church can do fund raising (food etc). Comm. Carver also stated the Town needs to start reaching out to vendors in January possibly sending out a save the date notice.
